Hello, my wife and I recently concluded the acquisition sale of our logistics firm and are relocating to the bay area. We are seeking an exclusive high-floor corner residence or penthouse overlooking the bay in Downtown Waterfront. Must have at least 3 bedrooms, high ceilings, wraparound balcony, and two dedicated parking spaces. We have verified cash reserves of \$3,200,000 and are prepared for an expedited 14-day close with zero financing contingencies. Please send available off-market options and let me know if we can schedule a private walkthrough this Thursday afternoon.
